

Letter Of Completion

This is to certify that **Mr. Jestin Gigi**, an intern of HACK-X Security has successfully completed the Internship Training Program October-January, 2021. This program consisted of Network Penetration Testing, Web Application Penetration Testing, Creation of Vulnerability Finder Tool, Research Project and Hands-on Experience on Live Project under the mentorship of **Mr. Rohit Borate**.

We hereby acknowledge that during his tenure, we found him to be hard-working, inquisitive, and a responsible trainee. The feedback of this participant has always been positive and fruitful.

We would like to extend our best compliments and wish him all the best.

Tanmay Dighe
(Chief Operating Officer)

Rohit Borate
(Associate Security Consultant)
